

**DO YOU HAVE WHAT IT
TAKES TO BE A CIVIL
ENGINEERING
DRAFTSPERSON?**

Trainee Engineering Draftsperson

Astutus is a Property Development and Infrastructure Consultancy based in Eltham providing dedicated expertise to clients developing property and building civil infrastructure. We are currently seeking an Engineering Draftsperson Trainee to support our Civil Engineer in the preparation of plans and general design office duties. The successful applicant will be supported via a traineeship to achieve a Certificate III in Engineering.

Preferred applicants should have:

- Completed VCE studies;
- Strong computer skills (Word & Excel);
- An interest in civil engineering design and construction;
- Excellent verbal, written and graphical communication skills;
- Ability to draw and understand technical drawings;
- Sense of pride in their presentation and work;
- Ability to work as part of a team;
- The ability to be innovative, practical and "think outside the square".

Training will be provided in the use of our engineering software. We are a new local company and this is an excellent opportunity to develop your skills in a challenging industry.

For further information, or to apply, email careers@astutus.com.au or call 1300 490 610.
